

WHAT IS ERASMUS +

Erasmus+ is the EU's programme to support education, training, youth and sport in Europe. It has an estimated budget of €26.2 billion. This is nearly double the funding compared to its predecessor programme (2014-2020). The 2021-2027 programme places a strong focus on social inclusion, the green and digital transitions, and promoting young people's participation in democratic life.

WHAT IS ERASMUS +

It supports priorities and activities set out in the European Education Area, Digital Education Action Plan and the European Skills Agenda. The programme also supports

- the European Pillar of Social Rights
- Implements the EU Youth Strategy 2019-2027
- develops the European dimension in sport

Erasmus+ Programme
As Beneficiary:
Digital Stories Speaking Up Well - Youth 4 Youth & Together Versus Marginalization!
Project Code: 2023-3-AT01-KA152-YOU-000172122

Our project aims to combat and speak up against youth marginalization and discrimination through creating photo comics, reach those problems to the vast society and develop our participants' digital skills in creating photo comics, script writing and development and photo editing. We strongly believe that the skills and experience which our participants will get through our project will help them to be more active citizens and participate more in social life, since gained knowledge will give them the chance to express their say always in a creative way and reach vast number of people worldwide.

The objectives are:

- To explore the realities, search for the reasons and solutions towards youth marginalization problems in our countries and societies
- To create the opportunity for our participants to take part in international activities, meet their peers from other countries and learn from each other
- To let our participants know more about Erasmus + programme and be able to develop their project ideas into action
- To develop participants' skills and competences in script writing, acting, photo taking, editing and using photo comics as a tool of self-expression
- To create individual and group photo comics frames about the problematic social issues of youngsters
- To create Digital Photo Comics Book and spread worldwide
- To develop future E + projects based on the ideas our participants will conceptualize during the project

Mobility of Youth

Workers

The Project: Embracing Sustainability in Youth Work Our project builds upon the project Sustainable IMPACT from 2022, focusing on the evolving needs of youth work and the latest trends in sustainability. This second edition aims to enhance the learning experience and dissemination activities.

Origins and Purpose: The project stems from a crucial need to combat overproduction among young Europeans. Our mission is to empower the new generation with knowledge about sustainability and green practices that can be seamlessly integrated into their daily lives. We aspire to cultivate a society that values sustainability and resource efficiency.

Objectives

Improve knowledge of the youth workers about European environmental policies and understand the impact of human daily action on the environment Develop sustainable practices and exchange their best practices with their international colleagues Exchange ideas for developing sustainability related activities within their local youth work Equip the youth workers with efficient methods and tools for promotion of the project main mission Strengthen cooperation among the European youth workers and their connections for future international projects

What We Aim to Achieve: Our goal is to equip youth workers with the knowledge and skills to promote sustainability within their communities. Through knowledge exchange and practical training, participants will become champions of change, inspiring others to embrace sustainable practices. Together, we strive to create a greener, more sustainable future.

Shall we dance? Youth Exchange

2023-3-AT01-KA152-YOU-000176358

11-19 August, Vienna, Austria

In recent years, conflicts, migrations, and social tensions in Europe have had a profound impact on the youth population. The "Shall We Dance?" project aims to address these issues by combining dance, art, and creativity to promote social inclusion, combat discrimination, and tackle marginalization.

Objectives:

- Intercultural Dialogue
- The Power of Folk Dances
- Challenging Prejudices
- Fostering a European Identity
