Shall we dance? Youth Exchange

2023-3-AT01-KA152-YOU-000176358

As participants of the Kovan Innovative Entrepreneurs Association, we had the opportunity to participate in the 'Shall We Dance' project held in Vienna within the scope of the Erasmus+ program. In this project, we came together with participants from Austria, Bosnia and Herzegovina, Ukraine, Montenegro and Macedonia. Together we have strengthened the intercultural dialogue and had chance to know each other better by using the universal language of dance. Each dance presented us with a story that tells us about the history, traditions and social values of that culture.

The historical atmosphere of Vienna offered a unique background to this project. The events we held in the city were filled with cultural and artistic riches. The cultural heritage of Vienna has been inspiring for everyone involved in the project. In this context, I we once again how valuable Erasmus+ projects are for young people.
